Tariff rules and regulations limit carrier's liability to a max of \$1.50/lb for each article transported, or \$0.10/lb for shipments of used or reconditioned goods. If value in excess of these limits is declared, see tariff rules and regulations for complete procedures to which shipper is subject. It is agreed that the carrier's liability on any shipments tendered by certificate holder is limited to an amount not to exceed the limit listed above. Higher limits are available upon request and are effective upon confirmation in writing from the corporate headquarters of the motor carrier. Drivers or agents have no authority to amend wording or limits.
